# WEEZLESEARCH.COM

ONE STOP SHOP FOR ALL YOUR SEO NEEDS

### 01 HOW GOOGLE WORKS

Learn how Google works before you start deep diving into SEO and optimising your website.

**How Google Works**

In this course we're going to back to the basics; understanding how Google works. In this course you'll learn how Googlebot works, the difference between indexing and crawling, how to ensure your content is found by Google and more.

7 Modules

### 02 SEO FUNDAMENTALS

Learn the basic building blocks of SEO and how important these are when it comes to ranking.

**SEO Fundamentals**

To conquer SEO you must understand the fundamental elements of onsite, technical, offsite and local. Once you've mastered the fundamentals we will then show you how to maximise them on your website to improve your rankings.

6 Modules

### 03 THE SEO STRATEGY

Learn how to build a detailed SEO strategy for your website.

**The SEO Strategy**

The importance of a well-built SEO strategy can't be underestimated; unless you know what you want to achieve you won't know what SEO changes to make. In this course you'll learn how to build the right strategy for your website.

7 Modules

### 04 BACKLINKS

A guide on how to include backlink building and building into your ongoing SEO strategy work.

**Backlinks**

Learn what backlinks are, why they're so important for your SEO performance, and how to incorporate backlink strategies into your ongoing SEO work. From cleaning up harmful backlinks to building new authoritative links, we cover what you need to know.

6 Modules

### COMING SOON

More SEO courses will be coming soon to make sure you come back!

**Coming Soon...**

We hope you're enjoying the courses we have so far, and that you're learning more and more that you can apply to your ongoing SEO work. We're going to be adding more SEO courses over time so keep an eye out for those. And if you have any ideas on what you'd like us to cover in future courses then please get in touch.
